.com 30 Mar 2012 14:12:25 GMT Welcome to the latest full-length feature from the makers of Save Me, this time we're making things a little darker with a twisted tale that reminds us of As Above, So Below. After being split up by their parents, Elias and Cristina meet again as they struggle to find their own way in life. About: The first hour and a half of this story is based on the popular Over the Garden Wall series. I'm a huge fan of these comics and thought this would be a good way to try my hand at writing for the format. If you haven't checked out Over the Garden Wall yet I suggest you do. Read Full ReviewQ. Using jquery and getting a webpage to display I'm trying to get a webpage to display in a div using ajax. I'm having an issue with the callback function. This is the code: var the\_url = ""; \$(document).ready(function(){ \$('#div\_to\_be\_filled').load(the\_url); }); The html code is this: I'm trying to make it so that the webpage loaded gets displayed in that div. A: change your.load() function to: \$('div\_to\_be\_filled').load(the\_url, function(){ alert('Load was performed.')}); See live demo: ABI Networks Partners With First Data Corporation, The Globe and Mail ABI Networks has signed a five-year strategic partnership with First Data Corporation (FDC), one of North America's largest payment networks, according to a press release issued by ABI Network.
